NEW YEAR GREETINGS FROM THE OVERSEAS DISTRICT ABBOT

To all of our fellow followers in the overseas districts, I wish you a Happy New Year. It is with great pleasure that I can share the joy of welcoming the new year together with you as a member of the sangha.

Last year, in comparison to past years, there were more opportunities to listen to the Dharma together with you in the overseas districts. There was the 12th World Dōbō Gathering held in the North America District in the summer, and the 750th Memorial for Shinran Shōnin held in the Hawaii District in conjunction with the Hawaii Betsuin Centennial in the fall, in addition to the Hōonkō Services in each district. I sincerely appreciated those precious opportunities. I especially enjoyed meeting with our fellow followers from all overseas districts at the Gathering in Los Angeles together with many participants from Japan. Those experiences have deepened my appreciation of how inconceivable the working of the Light of Amida is in uniting us beyond the boundaries of nationality and language.

I have come to feel that it is the responsibility of us Shinshū followers living in this modern society who have fortunately encountered this rare teaching to share the joy of the encounter with people around the world. I am convinced that only in the sharing of the teaching can we help to find rays of hope amidst the dark clouds of the world we live in.

Shandao, one of the Seven Patriarchs, expresses in one of his works as follows:

*“We vow to give equally to all people around the world,
This joy of encountering the teaching,
Together to realize our innermost aspiration to become a buddha,
And to awaken to the spirit of the Land of Peace and Happiness
created by Amida Buddha.*

I conclude my message by expressing my wish that each of us will be awakened to the vow of the Tathāgata.

Thank you.

Chōyū Ōtani
Overseas District Abbot
Shinshū Ōtani-ha

NEW YEAR GREETINGS FROM THE CHIEF ADMINISTRATOR

I wish to extend my warmest New Year's greetings to all of you in the overseas districts.

My name is Hiroshi Tajima and I have been assigned as Chief Administrator of the Shinshū Ōtani-ha as of the end of last year. Since we have finished the renovation project of the buildings at the Shinshū Honbyō by observing the Commemoration Service of the Completion of the Renovation in November last year, we must now move ahead towards the 850th Anniversary of Shinran Shōnin's Birth which will be celebrated together with the 800th Anniversary of the Establishment of Jōdo Shinshū in 2023. As the new Chief Administrator, I will carry on the wish of the former Bishop Kōi Sato'o, who strongly encouraged us to open up a new horizon for our entire denomination in preparation for those major events. I realize the huge responsibility I have just assumed. I wish to ask all of you in our overseas districts for your continued support of our denomination.

Bishop Hiroshi Tajima
*Chief Administrator
Shinshū Ōtani-ha*

On the occasion of the New Year, I asked myself, "What is the spirit of the Shinshū Ōtani-ha?" My response was that it is the aspiration to create a sangha based on the teaching of the nenbutsu, just as Shinran Shōnin expressed in the postscript of the Kyōgyōshinshō, "Those who are born earlier guide

the succeeding generations and those who are born later learn from those who precede them."

Right at this moment, there are always intensifying conflicts in areas around the world. Those conflicts are caused by such attitudes as self-justification, and placing blame on others. As long as our minds are bound by differences in nationality, culture, and religion, those horrible incidents will never subside. Because we live in such a world, it is even more important for us to revive the spirit of the nenbutsu sangha where anyone can live together in mutual respect as fellow travelers beyond any boundaries.

I sincerely wish that all of us will deepen our appreciation of each other as members of the sangha walking the broad path to Buddhahood together this year.

In closing, I wish to ask for your continued support and cooperation.

Thank you.

NEW YEAR GREETINGS FROM THE BETSUIN PRESIDENT

Happy New Year to all, and we hope we can see you at our General Membership Meeting and Shinnen Enkai on Sunday, Feb. 26.

While the Year of the Rooster foretells of a more mellow, flexible year, 2017 is going to be another busy year for Higashi Hongwanji with varied programs and activities at the Betsuin. As mentioned in Rinban's new year greeting in last month's Wa and echoed in messages by the Overseas District Abbot and Chief Administrator, we must focus our efforts to share the teaching in our community to create a new sangha for the future generations.

Faye Shigemura
Betsuin President

This year we start off with the always-anticipated Shinshu Center of America public lecture

on Feb. 3 and a district dharma gathering on Feb. 4 at the Betsuin led by the dynamic Dr. Nobuo Haneda.

While several more lectures and educational opportunities are being planned for the year, you won't want to miss the chance to see and hear Dr. Haneda in action.

Of course, you can look forward to our regular activities such as our study classes in English and Japanese, craft sessions, movie nights, ukulele class, annual bon dance and more. We hope you'll find time to visit and participate in our activities.

Last year was quite eventful as we celebrated our Betsuin's 100th anniversary. This year, even without the kind of effort that went into the centennial planning, we have a full plate in front of us. We'd greatly appreciate your help on a committee, at our events or with temple chores.

Thank you to those who have already sent in their gojikai dues for 2017. If you haven't paid your annual dues of \$75.00, please mail your check, or stop by the office to make payment. Of course, you may also catch up on your dues when we see you at the membership meeting and New Year Party on Feb. 26. Mahalo!

Our Little Sister may leave you misty-eyed but not disappointed

Our Little Sister (also known as *Umimachi diary*) is a 2015 film directed by Hirokazu Koreeda.

There are three Kouda sisters: 29-year-old Sachi (Haruka Ayase), 22-year-old Yoshino (Masami Nagasawa) and 19-year-old Chika (Kaho). They live in the house of their grandparents in Kamakura, where they grew up after their parents had separated and left them. One day, they receive news of the death of their father whom they haven't seen in 15 years. At the funeral in Yamagata, they meet their 14-year-old half-sister Suzu Asano (Suzu Hirose). As there is nobody to take care of her, Sachi invites Suzu to live with them.

The performances received positive responses from critics. At the 2015 Japan Academy Awards it was named Best Film and Koreeda was named Best Director, and all four actresses who portrayed the sisters were awarded or nominated. (Haruka Ayase was nominated for Best Actress, Masami Nagasawa and Kaho were nominated for Best Supporting Actress and Suzu Hirose won Rookie of the Year). The film won the Audience Award at the San Sebastián International Film Festival, among numerous other awards.

Showtime: 6:30 pm, Tues., Feb. 28, 126 min. Color. Japanese audio, English subtitles. Free admission. Light refreshments, or bring to share!
